Dear Parents/Carers and Year 5 students

SCHOOL PREFECTS

In the coming weeks Year 5 students will be nominating to become a school prefect for 2016. Before they start campaigning there is a process which they go through.

- They have listened to this year’s prefects outline the roles and responsibilities of a prefect and what is involved.
- If they wish to be nominated they need to fill out the form below and return it to their class teacher before Monday 12 October.
- Year 5 will then have a secret ballot to elect their representatives for the whole school election. This is a democratic process. Your child’s peers have the greatest understanding of who would represent them best, as they have been together as a cohort for the last 6 years.
- These students elected by their peers will be allowed to begin their 2 week campaign on Monday 19 October;
  1. By placing up 2 posters (for which they are responsible for putting up in the morning and taking down in the afternoon).
  2. They will also have to work on preparing a 2 minute speech which they will give to the school during week 5 (2 November).

No badges, bracelets, lollies etc are to be handed out by candidates during the campaign.
