19 May 2015

Dear Parents

At present Ms Mansour is on leave until the end of this term. In her place Mr Arnold will be serving as Relieving Principal. Mr Corry will be acting as Relieving Deputy Principal with his place on 6Celestial being taken by Mr Mark Bell, one of our experienced casual teachers.

**WALKATHON**

Our major 2015 fundraising event, the Walkathon occurs at school tomorrow from 9.30 – 11.00 am.

Parent helpers who are assisting on the course, are asked to meet Mr Corry near the school flagpoles for a briefing after the 9 am bell.

Children are asked to carry a bottle of water around the course and asthmatics will of course carry their puffers.

Collection of sponsorship money can begin from after the Walkathon with all money due to the school by Thursday 4 June.

**COMMONWEALTH BANK – STUDENT BANKING PROCEDURES**

It has been noted that when children are sending in banking for the Commonwealth Bank on Thursdays the deposit slip coupons and stubs are not being completed. It is a security issue for cash/cheques to be enclosed with no monetary amount being indicated on either the deposit coupon or the stub and no name and account details. Could parents please ensure that all details are filled in both places when sending money into school.

Some exciting new changes have been introduced to the student banking reward redemption process. Students can now pre-order their reward item at 9 tokens instead of having to wait until they have 10 tokens.

**CANTEEN TERM 2 COMPETITION**

Keep your eye on your canteen ordered items in Term 2 for your chance to win!! If there is a red dot on your item you can claim a prize from the canteen. Good luck.

**BOOK CLUB**

The next issue of Book Club was sent home today. If you are wanting to order items from this issue please ensure that all money and orders are received back to school by no later than next **Tuesday 26 May**.

Mark Arnold

**RELIEVING PRINCIPAL**
